Celebrate
Marriage

A Journey In Love

“To set out on the path of the married vocation means to learn married love day by day, year by year: love according to soul and body, love that is patient, is kind, love that does not insist on its own way... and does not rejoice at wrong; love that rejoices in the right, love that endures all things.”

— Pope John Paul II

A Time For Us!

You are invited to attend a day that will reenergize your marriage. Why not put the world's pressures on hold for a few hours and focus on the most important person in your life — your spouse!

In today's busy world, married couples are pulled in so many different directions. Couples face family, work, health, financial and social pressures that consume time and energy and keep them separate. Often everything and everyone seem to take priority over our spouse. Did you ever

ask yourself: "Where is the time for US?" *Remember, God doesn't guarantee us tomorrow...only today!*

Take the time you deserve to deepen your love, bring more joy into your relationship and build a stronger marital foundation.

"Celebrate Marriage" will benefit couples of all ages and years married.

*"Take my love...
for love is everlasting
and remember the truth
that once was spoken,
To truly love another person
Is to see the face of God."*

—*Les Miserables*
